

California Department of Education  
Form Certification of Eligibility Update Form

Digital High School Grant Program

Mail to:  
California Department of Education  
Education Technology Office  
515 L Street, Suite 250  
Sacramento, CA 95814  
Attention: DHS Certification of Eligibility

FAX To: (916) 323-5110 or (916) 323-5102

Due Date: Tuesday, May 30, 2000

I hereby certify that the governing board:

1. will meet program requirements related to a technology installation grant;
2. will meet the local match requirements related to a technology installation grant;
3. the priority listing of school sites indicated are eligible to receive technology installation grants and that the sites meet the definitions of a separate school site as defined by Education Code Section 52255.
- 4a. the required combinations (Education Code Section 52254(d)) states that "continuation schools, opportunity schools, educational centers, community day schools, and special education programs" that "are located on the same site as, on a site adjacent to, or across the street from, a comprehensive high school, shall be included, for application and funding purposes, with the comprehensive high school."
- 4b. optional combinations-some sites, for technological and programmatic reasons, may be combined, however two comprehensive high schools cannot be combined with each year. Combined schools are required to submit combined application and will be funded jointly.

I hereby certify that the governing board:

1. will meet program requirements related to a technology installation grant;
2. will meet the local match requirements related to a technology installation grant;
3. the priority listing of school sites indicated are eligible to receive technology installation grants and that the sites meet the definitions of a separate school site as defined by Education Code Section 52255.
- 4a. the required combinations (Education Code Section 52254(d)) states that "continuation schools, opportunity schools, educational centers, community day schools, and special education programs" that "are located on the same site as, on a site adjacent to, or across the street from, a comprehensive high school, shall be included, for application and funding purposes, with the comprehensive high school."
- 4b. optional combinations-some sites, for technological and programmatic reasons, may be combined, however two comprehensive high schools cannot be combined with each year. Combined schools are required to submit combined application and will be funded jointly.

515 L Street, Suite 250  
Sacramento, CA 95814  
Attention: DHS Certification of Eligibility

FAX To: (916) 323-5110 or (916) 323-5102

Due Date: Tuesday, May 30, 2000

I hereby certify that the governing board:

1. will meet program requirements related to a technology installation grant;
2. will meet the local match requirements related to a technology installation grant;
3. the priority listing of school sites indicated are eligible to receive technology installation grants and that the sites meet the definitions of a separate school site as defined by Education Code Section 52255.
- 4a. the required combinations (Education Code Section 52254(d)) states that "continuation schools, opportunity schools, educational centers, community day schools, and special education programs" that "are located on the same site as, on a site adjacent to, or across the street from, a comprehensive high school, shall be included, for application and funding purposes, with the comprehensive high school."
- 4b. optional combinations-some sites, for technological and programmatic reasons, may be combined, however two comprehensive high schools cannot be combined with each year. Combined schools are required to submit combined application and will be funded jointly.
